GENERAL SECRETARIAT
20 JULY 1943

Sir,

In forwarding herewith an application dated 8th instant received from Mr. Mohamed Pir, Senior Assistant Conservator of Forests, retired, requesting that his son Ismail Sheriff, who is an Aligarh Matriculate and has undergone the Intermediate Course, may be given a Forester's appointment in the Department, I have the honour to state that in view of the long and meritorious service of over 30 years rendered by Mr. Mohamed Pir in the Department in which though started as a Ranger, he rose to the post of a Senior Assistant Conservator of Forests, his request that his son may be given a Forester's appointment is only fair and deserving of favourable consideration, on the analogy of similar cases of sons of Forest Officers for appointment in the Department which have in the past, been viewed sympathetically by Government in their orders detailed below. I therefore recommend that Government may be pleased to permit as a special case, the appointment of Mr. Mohamed Pir's son-Ismail Sheriff, as a First Grade Forester in the Department against an existing vacancy and request orders of Government in the matter early.

1. G.O.No.G.2728-9-/Ft.82-34-3 dated 19/20-9-1934 regarding appointment of Mr. K. Keshavagopal Naidu s/o late Mr. G. Krishnamurthi Naidu as a Ranger.

2. Government letter No. 2391/CRB. dated 18-10-1935 regarding appointment of Mr. B.H. Gulab Singh s/o late Mr. B. Heerasingh as a I Grade Forester

3. G.O.No.G.9990-1/Ft.218-36-2 dated 14/15-6-1937 regarding appointment of Mr. P.W. Muthanna, s/o of late Mr. P. Woothiah, as a Ranger.

4. Government letter No. G. 13237/Ft. 271-38-2 dated 26-6-1939 regarding appointment of M.R. Ethirajan s/o late Mr. H.V. Rangaswami Iyengar, as a First Grade Forester.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Conservator of Forests.

The first three refrd to above are all graduates. The fourth E. Thirajan is an Intermediate. One Mr. M.R. Gangadhara Rao, son of late Mr. M.G. Rama Rao (retired Chief Conservator) who was not a graduate tho was an L. Ag. was started as II grade Forester on Rs 20 - 3/2 - 35 and was after an month given Rs 35/- the maximum of the grade. The present recommendation.

The recruitment to the grade of Foresters is subject to CRB rules. The present recommendation of the C.C.F is for orders. The pay of I grade Forester is Rs 35 - 2 - 45. + Mr. qualification (Educl) will be a degree of the Mys. University. The present case is similar to that of Mr. P.W. Narasimha Rao in the matter of concession to be shown to the sons of the retired forest Officers. As regards the present candidate's qualification, it may be taken as nearly equivalent to that of Gangadhara Rao and the concession shown to the latter may perhaps be shown to the candidate in question viz he may be appointed on a pay of Rs 35/- in grade Rs 20-3/2-35 of the II Grade Forester.

How? Vide Para 5 in the file.

As per C.R.B rules (Vide para 4 of the notes in Ft 271-38-2) appointments of I Grade Foresters are to be filled up by promotion of the 2nd Grade Foresters whose places will be classified as per recruitments rules. The C.C.F reports that there is an existing vacancy of I Grade Forester. This vacancy may be filled up by promotion & the resultant II Grade Forester's vacancy may be treated as not having occured at all for purposes of recruitment and the candidate in question appointed therein.

The recommendation of the C.C.F is for

consideration. In view of the long and approved service of over 30 years put in by the applicant (Mr. Mahomed Pir, Senior Asst. Conservator of Forests, Retired), his son Ismail Sheriff (a Matriculate who has undergone the Intermediate course) may be appointed as a Forester as a special case

It is for consideration whether the appointment may be made in the existing vacancy of I Grade Forester (as recommended by the CCF) or whether the CCF may be asked to fill up the I grade vacancy by promotion (as per rules) and the consequential vacancy in the II nd grade given to the applicant's son.

I think for his qualifications, it will suffice, if the candidate is appointed as Second Grade Forester - If he shapes well, he may be promoted to the 1st grade after a few years.

Sir,

I beg to bring the following lines for favour of your kind consideration.

I am an old Forest Officer who retired during November 1938, as a Senior Assistant Conservator of Forests, on a pay of Rs.500/-. I was started in service with prospects of becoming a Deputy Conservator on a pay of Rs.600/-. At the tail end of my service, I was made a Senior Assistant Conservator and, before I could complete two years, I was retired, so that I could not get even one increment.

May be recommended to Govt: Some of Forest Officers like Ettinag & Ganpathiah Rao have been shown some consideration in the past. Even in Sir Mirza's time. Sir Brojendra Mitter & Varadappa were given exchange. Govt: may reconsider their case sympathetically in this case. Cue 8/7

During a considerable part of my service, I have worked in unhealthy and malarial tracts with the result that my health has been shattered and I have been the victim of family bereavements. Inspite of all this, I never slackened in my duties which have been always appreciated. I was the District Forest Officer, Hassan, for four years and there is much still remaining there that can be put to my credit.

For nearly four years, I worked at Shimoga as District Forest Officer under very trying circumstances, which were also a source of danger to my life, as I narrowly escaped the bullet in the Saw Mill irregularities. Even afterwards, my movements were watched. Letters intimating my death and containing figures of skull and cross-bones then addressed to me are still to be seen. I had to face death for no fault on my part except that I did the Government duty undauntedly though to no advantage of mine.

I was in charge of the then combined Shimoga Division for more then two years and was not the recipient of any consideration for having borne the brunt of additional duties of another major district. Again, I managed all the time the fuel operations with rising yearly allotments and received no allowance, although the neighbouring Bhadravati District Forest Officer was getting one. Nor was I given even one year's extension. I had sent from Shimoga a representation and, though consideration was promised, nothing came out of it.

My son Ismail Sheriff is an Aligarh Matriculate and has also undergone the Intermediate course. As he has not passed the Mysore S.S.L.C., there is no chance of his getting an appointment through the Central Recruitment Board. I, therefore, pray that my humble services might not be forgotten and my son kindly given a Forester's Appointment, as a special case, for which act of kindness, I shall always pray for your long life and prosperity.

I beg to remain,

S i r ,

Your most obedient servant,

Muhammad Pir
